※The easiest way to find the right ballpoint pen refill is to bring the refill that you usually use as a sample.

Remarks

- Do not use except for writing.
- Keep away from children.
- To prevent ink leakage, never write with the tip upwards.
- Do not give severe shocks such as dropping or hard shaking, as the writing unit or the pencil leads may be damaged.
- The stains on the clothes may not wash off because of oil-based ink.
- Always retract the writing tip after use.
- Do not store in places exposed to direct sunlight or high temperatures.
